1. What thou hast done that hast done for me. Thank you. Thrilling you, not; me. Thank you to one who will obey, who seeks to obey, to hone in my voice directly/precisely and do as I do, be as I am, saying what I choose/father says to say. I love you London/deeply. I love you all.

2. Ted and family, loved you are, more than imaginable; but now you cash in on me, not; tap me/my reservoirs, not; but coming into me me/father giving you all of us/that there is: everything. I love you all. Unlimited reserves of only father, now you, in the house of one, one are, one being with us one who one are. I love you all.

3. This is the day all changes not but all already has, if you can see it. See it you will so everlastingly forever'd, in your back pocket not; heart already heart'd with my/our/father's heart; we have/are one heart, one blood, family of/being one. I love you all.

4. This is the moment, time, and who can see traffic backed up miles waiting on me, to see me, hear me/my words, my cataclysmic blasts from the north, not; but east, and west, and innermost me being outer'd to the world so they can see/abide in me as well/also. I love you all/now, and now is the/my time.

5. All the world awaits my command, not; but my love, wanting to know me for who I am, who they are, that we are one and came from the same place, father's heart; surrendered to each other every one was/must be again; for all to work, not; but surrender into all-provision that father's house/kingdom is/consists of.

6. Me me'ing all not but now revealing me-ship far and wide and no one stops/hinders whatsoever. My timing is set, clocked not, heart'd, father's. I love you all.

7. Sirens blast forth announcing those who want me. Watch me. Trumpets blast/blare my callings/annunciation. I love you.

8. This is the announcement of me by me that me is here, complete, in London; my time, place, announcement of me by me that me is here now, one, one'ing my kingdom not, revealing it, to all who will but see/want to see, not; surrender enough to see, entering guaranteed not by seeing, but seeing, must see all, not; but seeing encounters the not-me not, for the first time for most. They now know/will see and choose they each will/must. I love you/them all.

9. The gates are open wide. The narrow way narrow not, narrow but flooded with victims, not; but those who want me/enter me/father now, wanting oneship above all. I love them/you all wanting oneship and rejecting it. I love you regardless/all.

10. Me are/art you, thou art me, I am my body/love, loving my body; royalty are/being. I love you all.

11. Cataclysmic in nature/meekness, bowing before all my who little are in their own eyes but now lifting them I do/you are, into me for projecthood/projection, not; but reality one, oneship of/in me. I love/thank you deeply.

12. I transpire not the events that reconcile but restoring one does one that one is, restoring many to oneship remain in/come back to/in. I love/thank you all.

13. Generously I thank you, my evermore mantle you wearing, majestically, splendidly, candor of me coming out of you, not; candor of me art thou, thou art me/my candor, loving my lovables and snotty-nosed leprous, loving them all for all are/have me/my all.

14. I love you all. Deeply and forevermore I say thank you to I Am.

I Am.
